Preface

Dear User:

Thank you for purchasing !Be sure to read this instruction manual carefully before use so that you can make full and correct use of your massager.Please keep this manual available for future reference after you have read it through.

This product does not belong to medical,please don’t use for disease treatment

I Theory

a.Ultrasonic

Slow metabolism of skin, coupled with the influence of ultraviolet (uv) cause melanin precipitation and the formation of dark spots, freckles. By ultrasonic oscillation, penetrate into deep inside the wool stoma, can deep clean your skin dirt, senescent cells and corneous layer; Can effectively remove acne, blackhead acne. Accelerate blood circulation, promote metabolism, fade spots.

b.Anion

Import (deep import let care product nutrition easier to penetrate completely absorbed) : when using anion, can in the skin surface layer formed between a local electric field, already ionized essence through barrier layer, import skin, enables cells to absorb the essence of effective skin care ingredients, this kind of induction principle.

II Benefits

a.Effectively penetrate deep into pores, thoroughly clean the skin

b.A special scraper type probe, deep into the skin, clean the dirt and ageing cutin

c.By ultrasonic vibration for professional hairdressing fluid is more thin, atomization

d.Decompose melanin, eliminate dark spots

e.Remove thin wrinkles, skin flabby

III Specification

a.Input: 100-240VAC,50-60Hz

b.Output: 5.5 VDC500mA

c.Frequency: 1.2W+-10%

d.Charging Time: 3 Hours

e.Continuous use Time : 2 Hours

IV Package Listing

a.1 pc Main machine

b.1 pc Power Adapter

c.The electronic manual

d.Without Package

V How To Use

(1). Open the shovel machine protective covering

(2)Press the botton “ON/OFF”,If the power Indicator is on,it shows it is working.

(3)You can change the level by Low and High.

Don't turn it the strongest at first,You can adjust it from down to up to find the comfortable Level.

(4) When charging, light is on cycle. when fully charged, light all on.

(5).Please put this device pressed to skin, but do not stay in the same place for 3 seconds,it need to move.

VI Forbidden Matter

Please noticed that this item is not applied to people as following:

a.People with heart disease or high blood pressure,or configured cardiac pacemaker

b. Patients with acute inflammation,asthma,deep vein thrombosis,theyroncus,cancer

c. Pregnant women

d.People with hemorrhagic disease,trauma or who is bleeding

e. Medical plastic parts,or parts with artificial in filling inside

f. People with metal inside the body(include metallic tooth)

g. Patient with skin inflammation or with edema

h. People with an abnormal immune system

i. Numb or insensitive to heat

VII Daily Inspection And Maintenance
